RE: FMRSD Updates: End of the school year information

I am in awe of the resilience of our Fall Mountain community as we complete our sixth week of remote learning. I want to recognize our staff, students and families for their continuous dedication and tireless efforts making this difficult time a bit easier and remote learning a success.

Recognizing the importance of maintaining relationships and connectedness, Fall Mountain staff continue to find creative ways to reach out to our students and families outside of remote instruction. Staff have created YouTube videos, set up drive by interactions with families and have begun planning for virtual end of the year celebrations.

At our school board meeting on Monday, April 27, 2020, the board approved a change to the 2019-2020 school year calendar and set the last day for students to Friday, June 5. Staff will continue to work through Wednesday, June 17 to close out the school year and begin planning for the next year.

The administrative team continues to discuss the implications remote learning will have on the remainder of the school year and additional information will be sent to you as we make decisions.

Thank you for your dedication, your perseverance and keeping education the primary focus.

*Education is not preparation for life; education is life itself.*
